

GRANITE UNITED WAY

Helping New Hampshire

Granite United Way's impact helps 254,000 New Hampshire residents a year and allows the State of New Hampshire to buy and maintain reduced cost social services because of our contributions.

Granite United Way contributes back to New Hampshire in many ways, including

- Raises more than \$7.3 million annually for initiatives and programs focused on Education, Income and Health
- Return \$6.3 million in tax returns to New Hampshire's struggling individuals and families
- Provides \$2 million in reduced prescription medications
- Assists 48,000 New Hampshire residents through 2-1-1 calls with a value of \$336,000
- Mobilizes 20,000 donors and 2,000+ volunteers every year
- Leads municipal 10-year Plans-to-End-Homelessness in Concord & Manchester
- Updates 15,000 citizens on our work & pressing community issues via social media outlets
- Geographically covers more than 80% of the New Hampshire from offices in Manchester, Concord, Littleton, West Lebanon, Berlin and Plymouth and Laconia
