## What is Work United?

Wondering who the gals are that walk around your work place wearing Live United shirts? We are Work United and this program is a FREE and CONFIDENTIAL service provided by your employer. The Work United program is for everyone! If you are per diem, part-time, full-time, temporary and even a non-benefited employee you can utilize our services. Your Work United Resource Coordinators can even help your friends and family.

If you are finding yourself coming to work distracted from your home stress we are here to help. This program is not based on income, it is based on need. We help with non-work related issues. Some of these issues range from understanding your credit report, fixing or building your credit, budgeting, transportation, housing, listening support, finding affordable prescriptions and any other resources that you are looking for.

Your employer is offering you this benefit on-site at your workplace, during work hours. WOW! If you have any questions do not hesitate to reach out to Angel, Suzanne, or Pru. We are happy to assist and answer any questions.

## Fuel Assistance

Did you know that if you rent with heat included and your rent is **not subsidized** you can apply for a Fuel Assistance benefit towards your rent? If you have electric heat and the electric bill is in a household members name you may apply for a Fuel Assistance benefit towards your electric bill.

$$6+3 = 9$$

but so does  $5+4$ .

The way you do things isn't always the only way to do them. Respect other people's way of thinking
