FIND FINANCIAL STABILITY.**

LIVE UNITED

Kerry, mother of two young children, was homeless.

Bethany Christian Services connected her with two host families who provided a loving and supportive space.

Kerry's family was supported by volunteers who provided food, gas cards, Christmas gifts, bedding, car repair donations, and assistance with tuition which enable her to attend cosmetology school.

Volunteers also assisted with paying her storage unit fee so she could get her belongings released.

This young mother was given love, encouragement, and a new found hope that she can succeed and keep her family together.

Today, she is living in her own apartment with all of her children. One of which was living in another town with a friend.

The family was reunited through the Safe Families for Children (SFFC) program and Kerry stays in contact with them to this day.

They provide her encouragement and help her to meet tangible needs while she continues her education and becomes more stable financially.

Kerry is now helping others who are homeless; showing the same love and support that SFFC provided to her and her children.

United Way fights for the health, education and financial stability of every person in every community.
