

WE ARE HERE.

This is our opportunity to help
the Upper Valley community
Learn, Earn and Be Healthy.

Granite United Way

A gift to Granite United Way will respond to needs across the Upper Valley and ensure access to important programs and services our neighbors rely on.

You have known Granite United Way as a trusted partner helping people Learn, Earn and Be Healthy across New Hampshire and Windsor County, Vermont. By working together, we create opportunities to address our community's most critical needs.

We are here to answer the call, 24 hours a day, 7 days a week at our 211 NH information and referral call center.

We are here to help our youth advance their leadership and literacy skills that will be the foundation for lifelong success.

We are here to provide supports to individuals and families who are striving to build financial stability.

Delivering Impact

It is incredible what we can do together.

Every donor dollar in the Upper Valley delivers on Granite United Way's promise to leverage those investments in the most efficient ways that will provide a lasting impact on our community. These are just a few of the ways we've been working together to help our neighbors Learn, Earn and Be Healthy.

Community Resource

When COVID-19 came to the Upper Valley, individuals and families living on the edge of poverty were now at greater risk of instability as their jobs became questionable. Throughout the crisis, Work United, an initiative of Granite United Way, was there for our community. Their Resource Coordinators have educated and assisted clients in navigating the deferment of loans, mortgages, and utility bills, helping them to keep their credit intact through uncertain times. This season helped demonstrate how often we take for granted our ability to project our financial needs into the future.

Supporting Nonprofits

Granite United Way's grantmaking in the Upper Valley provides funding to sustain programming that helps community members Learn, Earn, and Be Healthy throughout the year. In supporting nearly 50 nonprofit programs, this work addresses the challenges faced by individuals and families in our communities. From food access to housing supports to after-school services, our funded partners have continued to provide critical supports throughout the COVID-19 Pandemic.

Connecting in Crisis

Granite United Way's COVID-19 Relief Fund has helped thousands of people across our communities to meet their basic needs during the pandemic. In the Upper Valley, The Upper Valley Haven has connected with local nonprofits to help clients who needed immediate relief to address challenges presented by the pandemic, assisting hundreds of individuals in the community. For many, this support filled in the gaps when other forms of assistance were delayed, including a local single mother whose salon temporarily closed. Relief funds helped to pay for groceries while she and her son awaited unemployment payments.
