

BE THE CHANGE.

You give...

the cost of one meal out.

She gets...

a year of afterschool programming.

You give...

the cost of your morning cup of coffee.

She gets...

a warm, nutritious meal.

You give...

the cost of a movie ticket.

She gets...

a month of preventative healthcare.

Granite United Way works to advance the common good by focusing on the building blocks for a good life - education, income and health.

We bring individuals and organizations together to solve problems and create lasting change.
