

HOW I LIVE UNITED

My name is Jim Bouley and I am proud to be the Chair of the 2011 Granite United Way – Merrimack County Region Campaign. It is shaping up to be another exciting year! I would like to congratulate the 2010 Merrimack County Region Campaign Chair, Steve Camerino of McLane, Graf, Raulerson & Middleton, PA, and his campaign team on their historic effort. They raised a significant amount in 2010 - \$2.1 million! We will build upon the momentum of this campaign and, together, do great things for our community in 2011.

Reaching our goals is not something we can do alone. We will need everyone to LIVE UNITED by investing in or volunteering with Granite United Way. There are people in our community struggling day after day to provide for themselves, to stay healthy and to remain in their homes – many are our family, friends and neighbors.

Now more than ever, we need you, our committed donors and volunteers, to work with us as we raise the necessary resources to help thousands of deserving individuals, children and families to lead successful, self-sufficient lives. Your support will ensure the availability of important programs and services in the areas of *Education and Lifelong Learning, Physical and Mental Health and Wellness* and *Economic Self-Sufficiency*.

Our volunteers and donors assisted us in reaching the following important milestones in the Merrimack County Region in 2010:

- » Over 300 local businesses and organizations supported Granite United Way.
- » 738 individuals contributed at the leadership level (gifts of \$500 or more).
- » 54 Community Review Team volunteers spent roughly to 3,500 hours reviewing requests for funding from Granite United Way under the strategic Community Impact process.
- » More than 400 volunteers from 48 companies participated in the 2010 Day of Caring.

And...did I mention that a historic \$2.1 million was raised in the Merrimack County Region?

Not sure how to get involved? You can run or continue to run an employee campaign; make a corporate or personal gift; volunteer with our campaign or on one of our Community Review Teams; or participate in our volunteer day of service, Day of Caring, to be held on September 14, 2011

We are fortunate to be a part of a community that knows how to bring together their time, talent and treasure to better the places we live and work. Thank you for your commitment and generosity. Together we will provide lasting change that will have a positive impact on the lives of others for years to come.

I am proud to be a part of this movement. I hope you will join me!

Sincerely,

Jim Bouley
Mayor, City of Concord
