

# HOW I LIVE UNITED

Photography donated by Bogacz.com

My name is Bill Sherry and I am proud to be the Chair of the 2011 Granite United Way – *Southern Region* Campaign. It is shaping up to be another exciting year! I would like to congratulate our 2010 *Southern Region* Campaign Chair, Beth Roberts of Harvard Pilgrim Health Care, and her campaign team on their historic effort. They raised a record amount in 2010: \$3.77 million! We will build upon the momentum of this record-setting campaign and, together, do great things for our community.

Reaching our goals is not something we can do alone. We need everyone to LIVE UNITED by investing in or volunteering with Granite United Way. There are people in our community many are our family, friends and neighbors struggling day after day to provide for themselves, to stay healthy and to remain in their homes.

Now more than ever, we need you, our committed donors and volunteers, to work with us as we raise the necessary resources to help thousands of individuals, children and families to lead successful, self-sufficient lives. Your support will ensure the availability of important programs and services in the areas of *Education and Lifelong Learning, Health and Wellness and Housing and Economic Self-Sufficiency.*

Together with our volunteers and donors we reached the following milestones in the *Southern Region* in 2010:

- » Over 500 local businesses and organizations supported Granite United Way.
- » 500 individuals contributed at the leadership level (gifts of \$1,000 or more).
- » 65 local volunteers spent close to 4,000 hours reviewing requests for funding from Granite United Way as part of the Community Review Team.
- » More than 540 volunteers from 45 companies participated in the 2010 Day of Caring.

And...did I mention that a historic \$3.77 million was raised in the *Southern Region*?

How can you get involved? You can run or continue to run an employee campaign; make a corporate or personal gift; volunteer with our campaign or on one of our Community Review Teams; or volunteer for Day of Caring on September 14, 2011.

We are fortunate to be a part of a community that knows how to bring together their time, talent and treasure to better the places we live and work. Thank you for your commitment and generosity. Together we will make a difference.

I am proud to be a part of this effort. I hope you will join me!

Sincerely,

Bill Sherry  
Director, US Employee Volunteerism, National Grid
