

United Way advances the common good by creating opportunities for a better life for all. We focus on Education, Income and Health—the essential building blocks for a good life. We link thousands of non-profits, businesses, institutions, and individuals to one another, creating a network of support for individuals and families that strengthens our local communities.

United Way recruits the people and organizations who bring the passion, expertise and resources needed to get the job done. We develop focused, measurable strategies that ensure your investment achieves results.
