

FUTURE FOCUSED: GIVE TODAY

OUR COMMUNITY NEEDS US RIGHT NOW

Our neighbors are facing challenges every day - Granite United Way engages thousands of donors & volunteers to ensure our communities can learn, earn and be healthy.

WE ARE COUNTING ON YOUR SUPPORT

No single organization can do this alone - it takes all of us to drive change in our community. Your support is directed to hundreds of nonprofits who meet immediate needs and build capacity for long-term change. We are launching a responsive grant making process to better serve the local partner agencies who know our community best. This includes mobilizing 4,000+ volunteers each year to reinforce those nonprofits.

YOUR GIFT TODAY ENGAGES THOUSANDS

Giving to our community through Granite United Way is a solid investment - your gift will provide access to affordable housing, early childhood initiatives, financial empowerment, and mental health & substance use services. We know the needs are there - in 2023 our 211 NH call center responded to over 142,000 inquiries for help. **Together, we will leverage your support with the support of donors, volunteers and community leaders to improve lives.**

IMPACT ACROSS THE GREATER SEACOAST

TOGETHER WE HELP WHEN THERE IS NO WHERE TO TURN

Lifting partners across our community creates a community of trust.

Granite United Way's partnership with Womenaid of Greater Portsmouth helps to provide short-term financial assistance to individuals and families in need across the Greater Seacoast Region. When all other community resources are exhausted and people don't know where to turn, Womenaid is there to ensure basic needs of community members are met.

Over the past 19 years, Womenaid of Greater Portsmouth has funded over \$1 million dollars in requests for assistance. These funds aim to **reduce homelessness, increase job security, care for those who are ill**, and support countless others with small donations to prevent a spiral into further debt and uncertainty. These one time donations often go towards car repairs, late rental payments, healthcare costs, and more.

As an Equity Partner of Granite United Way, Womenaid of Greater Portsmouth has increased their funding towards occupational and vocational requests. Some of these requests have included assistance towards textbooks, drivers' education classes, car repairs and registration payments, and tuition for a Certified Recovery Support Worker.

Womenaid of Greater Portsmouth regularly collaborates with other nonprofits, including Haven, Cross Roads House, Families First Seacoast, Rockingham Community Action, York Community Service Association, and Granite State Independent Living.

Womenaid of Greater Portsmouth is a critical resource for individuals and families when they have nowhere else to turn. We are proud to be a partner and support their work in improving the quality of life for members of the Greater Seacoast region.

“What we have realized in this work is that it can be a very small amount of money that can put anyone in a tight spot. It can be a scenario where a single mom needs to buy prescription glasses for their child, or an elderly person that lives alone for the first time in their life and needs a Life Alert to feel safe.”

- Meg Munsey, Board Member for Womenaid
