

# FUTURE FOCUSED: GIVE TODAY

## OUR COMMUNITY NEEDS US RIGHT NOW

**Our neighbors are facing challenges every day -** Granite United Way engages thousands of donors & volunteers to ensure our communities can learn, earn and be healthy.

## WE ARE COUNTING ON YOUR SUPPORT

**No single organization can do this alone -** it takes all of us to drive change in our community. Your support is directed to hundreds of nonprofits who meet immediate needs and build capacity for long-term change. We are launching a responsive grant making process to better serve the local partner agencies who know our community best. This includes mobilizing 4,000+ volunteers each year to reinforce those nonprofits.

## YOUR GIFT TODAY ENGAGES THOUSANDS

**Giving to our community through Granite United Way is a solid investment -** your gift will provide access to affordable housing, early childhood initiatives, financial empowerment, and mental health & substance use services. We know the needs are there - in 2023 our 211 NH call center responded to over 142,000 inquiries for help. **Together, we will leverage your support with the support of donors, volunteers and community leaders to improve lives.**

# IMPACT ACROSS THE NORTH COUNTRY

## TOGETHER WE ARE BUILDING OUR FUTURE LEADERS

**Preparing the next generation of leaders is critical to the future of our community.**

Granite United Way recognizes the importance of investing in youth programs. By partnering with organizations like Copper Cannon Camp in the North Country, we can ensure that young people have access to programs that build confidence and skills while learning to work together as teams.

Copper Cannon Camp enriches the lives of the under-served and low-income youth of New Hampshire by providing a quality, tuition-free camp experience. They offer support for the entire family; including grandparents who are raising their grandchildren.

Campers experience high quality activities, meals, experienced staff and facilities right in the North Country.

Copper Cannon Camp is a state-wide organization serving children from Salem to Pittsburg to the Upper Valley and to Portsmouth, New Hampshire. Granite United Way is proud to partner with organizations like Copper Cannon Camp to bring this experience to children who may not have the resources to attend.

Giving to Granite United Way strengthens partner agencies like Copper Cannon Camp and is key to build stronger, more resilient communities.

***“Granite United Way has been fantastic in helping in areas you don’t even think about. If there is a community need they will try to jump in and help as best they can.”***

- Peter Christnacht, Copper Cannon Camp
