

FUTURE FOCUSED: GIVE TODAY

OUR COMMUNITY NEEDS US RIGHT NOW

Our neighbors are facing challenges every day - Granite United Way engages thousands of donors & volunteers to ensure our communities can learn, earn and be healthy.

WE ARE COUNTING ON YOUR SUPPORT

No single organization can do this alone - it takes all of us to drive change in our community. Your support is directed to hundreds of nonprofits who meet immediate needs and build capacity for long-term change. We are launching a responsive grant making process to better serve the local partner agencies who know our community best. This includes mobilizing 4,000+ volunteers each year to reinforce those nonprofits.

YOUR GIFT TODAY ENGAGES THOUSANDS

Giving to our community through Granite United Way is a solid investment - your gift will provide access to affordable housing, early childhood initiatives, financial empowerment, and mental health & substance use services. We know the needs are there - in 2023 our 211 NH call center responded to over 142,000 inquiries for help. **Together, we will leverage your support with the support of donors, volunteers and community leaders to improve lives.**

IMPACT ACROSS THE UPPER VALLEY

PROVIDING TO SUPPORT TO OUR NEIGHBORS WHO RELY ON US

Together, we can create opportunity and drive change in the Upper Valley.

Granite United Way works with nonprofits across the community to ensure access to services and programs are available. One of our Upper Valley partners is VISIONS for Creative Housing Solutions, a nonprofit organization that provides residential options, services, and support to help adults with developmental disabilities and similar disabling conditions lead more independent, fulfilling lives.

One of VISIONS' primary focuses is to help adults with developmental and similar disabilities transition from their aging parents' care to a stable, reliable, and caring environment. These wrap-around supports are designed to facilitate long-term friendships, a sense of well-being and self-worth, in an inclusive community that fosters independence, respect, and dignity.

Beyond grant funding, Granite United Way has mobilized volunteers throughout the year for VISIONS for Creative Housing Solutions. Volunteer engagement with our local nonprofits is a key element to building a community that cares for each other.

Granite United Way works with a broad range of people, businesses, and organizations to identify and resolve pressing community issues. When you give to Granite United Way your support strengthens partner agencies like VISIONS for Creative Housing Solutions and is pivotal in helping to build stronger, more resilient communities.

“When you give an undesignated gift through Granite United Way it is meaningful to organizations like ours. It’s wonderful for us to able to grow and support our residents with grants that do not have restrictions on how to use those dollars.”

- Sylvia Klug Dow, Executive Director of VISIONS for Creative Housing Solutions
