What is all the talk about CSA's?

A Community Supported Agriculture (CSA) is a great way to get seasonal food from your local farmer. Typically with a CSA you sign up and pay a certain fee for the season. It is like having a subscription for your local farm. This will provide you with an amount of weekly produce or food (produce, meat, seafood, dairy, eggs, flowers ect) depending on the CSA "share" or "subscription".

The Northeast Organic Farming Association of Vermont & New Hampshire (NOFA-VT/NOFA-NH) is a farm share program that helps by partially subsidizing the cost of the CSA for limited Income households. For more information please visit [here](#) for VT.

You can search for a local VT CSA in near you here by clicking [here](#).

Information for NOFA-NH can be found by clicking [here](#).

You can see the participating CSA farms in NH [here](#).

If you need any assistance with navigating this process, reach out to your Work United Resource Coordinator.

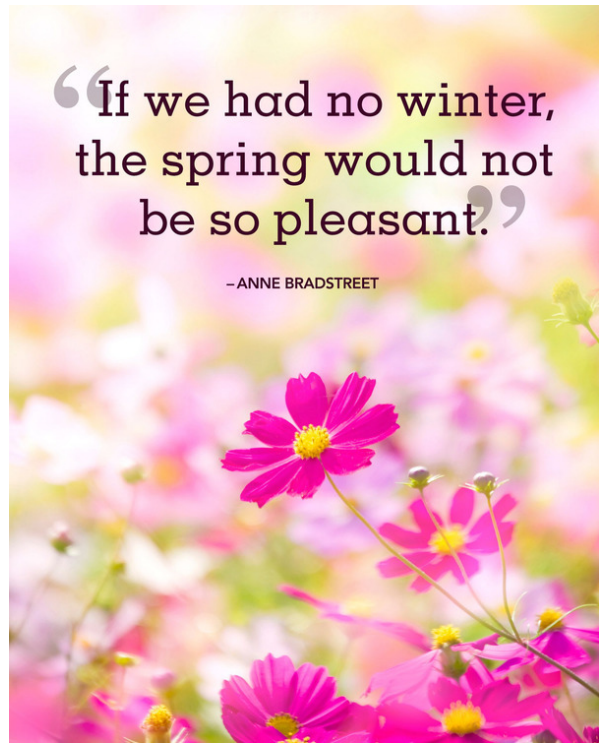

Don't Forget!

*You have until April 30th for **Fuel Assistance** in NH and VT. Apply for the **Electric Discount** Program at the same time!

*Its time to start signing the kiddos up for **summer camp**! Looking for financial aid? Your Work United Resource Coordinator might be able to help.

“If we had no winter,
the spring would not
be so pleasant.”
