

# DRIVING IMPACT IN THE SOUTHERN REGION

**GRANITE UNITED WAY** is working with individuals and organizations across each of our communities to drive impact. This year, thanks to the support of our generous donors who give through a corporate campaign we are delivering over **\$4.5 Million in support across the Southern Region.**

“I want to help bring resources that improve education and provide basic needs to families where I live and work. Giving through my employer is convenient and allows me to stay connected to the community.”
