

UNITED IS THE WAY

GRANITE
UNITED WAY

UNITED IS THE WAY we drive impact across our community. Granite United Way leverages relationships with local nonprofits, corporate partners and community leaders to address complex issues across our 7 regions. Together, we drive impact in the lives of over 450,000 people each year across New Hampshire and Windsor County, Vermont.

FAMILY AND YOUTH SUPPORTS

The foundation of our community starts with ensuring every child has the opportunity to thrive, and every family has the resources they need to succeed. Investing in these programs empower future generations.

SAFE, AFFORDABLE HOUSING

Our communities and economy flourish when housing is manageable. By investing in programs that promotes affordable housing, we create stable housing, reduce homelessness and open doors to security. Individuals and families can focus on education, employment and building a strong future.

SULLIVAN COUNTY EXPANSION

Granite United Way believes every community is stronger with a thriving United Way. When Sullivan County no longer had one, we partnered with our network, including Monadnock United Way, to adopt those zip codes into our footprint. Since then, we've connected with local leaders and are excited to bring new opportunities to the region.
